

Early Years Communication Week 2024

4th - 8th March 2024

Chat with your children - Explore with play - Read together

In Reception this week we will be exploring a range of activities that will encourage our communication skills. There will be many opportunities to listen to stories and share books with the grown ups in our classroom, as well as with our friends. We will be talking about poetry and each class will be learning a special poem to perform to families during our stay and play on World Book Day, Thursday 7th March, at 2:30pm.

Within the environment, there will be a wealth of activities that will encourage communication between one another and we will have an opportunity to make our very own books. There will be a show and tell session every day for children who would like to share a special item with the rest of their class to further develop those important speaking and listening skills.
