All spelling rules for this year have now been learnt. It is vital that children continue to practice previous and ongoing lists.

*From now until the end of the year, children should familiarise themselves with the word lists below. These words are taken from the **Statutory Spelling List for Years 5 and 6**.*

By the end of Year 6, it is the expectation that children will be able to spell all of these words.

Each of the statutory words will include a spelling rule that the children have learnt over the course of the year (or in previous years).

The complete list of statutory words can be found on the Year 5 section of the school's website.
