## ALDER CLASS ASSEMBLY

This week we were treated to a special assembly from Alder Class. The children retold the story of ‘Somebody Swallowed Stanley’ and brought the story to life. They then shared a special poem about the environment and how it is everyone’s responsibility to look after it. They finished with a very special rendition of It’s a Wonderful World by Louis Armstrong. Well-done to the children and a huge thank you to Mrs Powell for designing and making the wonderful costumes and props.

## WILLEN LAKE

Also on Thursday this week, I had the pleasure of joining our Y5 children on the first of their two-day water adventure in Milton Keynes! The children had a wonderful time on the water, learning new skills and working together in teams to complete games and tasks including raft building, kayaking, stand-up paddleboarding and much more. The weather was kind and the children were brilliant –

overcoming their fears, supporting each other, encouraging each other

and ensuring that they played their part in getting the best out of the experience. Their behaviour was exemplary and they were a credit to the school on both days. They returned on Friday evening tired, a little bit soggy and happy that they had a fabulous time with their friends. Many thanks to the members of staff and parents who accompanied the trip and special thanks to Miss Cetinich for arranging the visit. 😊

## IMPORTANT MESSAGES

<b>PE KIT DAYS</b>	During swimming season this term, your child might come home in their PE kit on PPA days if they have had a PE lesson. Not changing at the end of the session will increase the learning time that the children have – we will endeavour to ensure all their uniform comes home with them!	
<b>PLAYGROUND EQUIPMENT</b>	Please can parents keep their children off the playground equipment (and their scooters) when collecting siblings at the end of the day. The equipment is for the use of the children during the school day when supervised. Many thanks.
