Reception Starter Picnic

Dear parents and carers,

During the afternoon on **Wednesday 10th July** Early Years are hosting a transition picnic for all of the children who will be moving into Reception in September. Details, including timings and a link to confirm your attendance, was sent last week and I just wanted to clarify some information in regards to the event.

The invitation to the picnic invited up to two adults per child to attend. For those children who would usually be in Nursery at this time have the option to attend with either myself or Miss Masterton, or with their grown-ups. If you can/would like to join your child for the picnic please do arrive at the Early Years gate at 12.30pm where you can join your child for the event.

For those children who are staying in Nursery in September or moving to an alternative school, they will remain in Nursery for the afternoon and continue their own learning.

If you have any further questions regarding this event, please do speak to me at drop off or collection or email me via the school office.

Many Thanks
Mrs Warner
Nursery Manager
