## Vision – why aren't we here?

- To moan and groan
- To discuss personal issues publicly
- To single out individuals for comment

## Vision – Why are we here?

- To inform and support all aspects of school improvement
- To act as an additional line of communication between parents and the school
- To provide a further point of contact for parents (and children) when feeding back to the Headteacher
- To raise issues, share ideas and discuss solutions
- To identify skills in the parent body which we can use to support the children, the school and the community
- To share what we're doing beyond the school gates
