

Year 3 English and Topic Homework Matrix Autumn 1 Term

1. Log in to Libresoft at home and leave a review for the book you have read.

Include: Title of the book, a summary of the story/information, favourite part/fact, favourite character and a rating out of 5.

2. Create a poster based on information about the Stone Age. Can you include the Palaeolithic era, the Mesolithic and Neolithic eras?

3. Draw a picture of what your house would have looked like in the Mesolithic era. Can you label it and write sentences to describe it?

4. Create a poster with the top ten animals that existed during the Stone Age. Can you include lots of facts about them? What would they have been used for?

5. Make a fact file about a famous palaeontologist. Include: Name, Date of birth, most important fossil discovery, important ideas, interesting facts about them.

6. Imagine you've just found a dinosaur fossil. Draw what the dinosaur looked like. What is it called? Where and what year was it discovered? What did the dinosaur eat? Write 3 interesting facts about the dinosaur.
