

STOKENCHURCH PRIMARY SCHOOL & NURSERY

AIMING HIGH ... FLYING HIGHER

Everything we do makes a difference to our children; empowering minds and shaping futures.

01494 482112 office@stokenchurchprimary.bucks.sch.uk @stokenchurchps George Road, HP14 3RN

In preparation for your child starting school with us, please share these photographs of our **Nursery Provision** with your them so they can familiarise themselves with the environment before they come to visit. We are very much looking forward to meeting you and welcoming you to our school.

This is our Nursery entrance.

We are lucky to have a 'wellie shed' and overalls for all our sensory, messy play.

This is our cloakroom.

When you start at school you will have your own peg with a photograph of you above it. This is for you to hang up your coat and bag. There is a shoe rack underneath for your shoes and plimsoles, and here is a unit for your water bottles and lunch boxes too!

READY RESPECTFUL SAFE RESILIENT CURIOUS CONFIDENT INDEPENDENT SUCCESSFUL

This is our outdoor provision

We have a large water area for you to play in, a giant swing and a sand pit you can climb into. We have a large garden area with a mud kitchen, camp fire and large tyres which are used to create a variety of obstacles. We actively encourage the children to use the outside tap, hose pipe and buckets to add water to the water trays and mud kitchen.

This is our indoor provision

Our classroom has a large carpet area for our learning time with an adult. We have a painting station, water tray and sensory station, and we also have a reading den and light table. We have a small tent, a mark making table, and a home corner. We are also lucky enough to have a climbing wall, climbing trail and wigwam!
