Learning at Home

Homework

English and Maths homework will **be due in on a Tuesday and homework books will be given back out on a Thursday**. Maths homework is usually set on Mathletics or Times Table Rock Stars. English homework will be a matrix grid for you to choose an activity from each week. Each homework task should take **no longer than 30 minutes** to complete. Please sign your child's homework diary once homework tasks are completed.

Spellings

Each week the children will be set spellings. This aims to support and consolidate their learning. They will come home in their Homework diaries at the start of term. This year, there will be no spelling tests. Instead, we will explore spelling rules and patterns and we will create a bank of spellings in our own dictionaries.

Spellings will be sent home weekly and can be found on our Year 4 page.

Reading

Your child will bring home a reading book and reading record. Ensure you read with your child daily and give them the opportunity to hear you read too. Books will be changed daily.

Times Table Rock Stars

Short and sweet practice will improve your child's knowledge and speed.

Please note that pencil cases should not be brought into school.

Managing Children's Behaviour at **STOKENCHURCH**

Behaviour at **STOKENCHURCH** is paramount and our expectations of every child to follow our golden rules and be **READY, RESPECTFUL** and **SAFE** at all times are non-negotiable.

How do we achieve and maintain this?

- Having strong values that are regularly reinforced by all
- Being very clear and consistent with our expectations
- Remaining positive with and listening to the children
- Using positive rewards regularly (praise, house points, Golden Folder, messages home, etc.)
- Regular communication with home
- Tackling issues as they arise calmly and effectively
- Speaking to parents early

Assessment

- Your child will be assessed regularly, both formally and informally throughout the year.
- Teachers will use summative, Headstart and WhiteRose Maths to track progress, alongside their teacher assessment.
- Writing will be teacher assessed against National Curriculum statements.
- Foundation subjects will be teacher assessed against National Curriculum criteria.
- Progress will be reported to parents in Progress Charts at three points in the year. These will be sent home at Christmas, given to parents prior to the March parents evening and sent home with the final end of year report.
- Each child will receive a final end of year report which will celebrate your child's personal achievements and summarise their progress and attainment.
- There will be two parents evenings throughout the year, November and March. The November meeting will have a pastoral focus, whilst the March one will focus on progress and attainment.
- Year 4 children will take part in the National Multiplication Tables Check assessment in June 2024

READY RESPECTFUL SAFE RESILIENT CURIOUS CONFIDENT INDEPENDENT SUCCESSFUL

Multiplication Tables Check

- The purpose of the MTC is to determine whether year 4 pupils can fluently recall their multiplication tables.
- The MTC will be delivered as an online, on-screen digital assessment and takes each pupil less than 5 minutes to complete. Children will have 6 seconds to answer each question, hopefully a very familiar format to our Rockstars!
- Please help your child practise little and often.
- Children can play **Garage** games where questions will slowly increase in difficulty. We have seen much success from children using this regularly in the past.
- To check your child's ability please use the **Soundcheck** area which is broadly inline with the MTC end of Year 4 assessment
- For more ideas on how to help support your child with learning the tables please visit the link below (also available on the Year 4 webpage):

Safeguarding is everyone's responsibility

Stokenchurch is committed to ensuring the welfare and safety of all our children in school. We believe that pupils have a right to learn in a supportive, caring and safe environment which includes the right to protection from all types of abuse; where staff are vigilant for signs of any pupil in distress and are confident about applying the safeguarding processes to avert and alleviate any such problems.

If you are ever concerned about the safety or well-being of someone at our school, please talk to one of the school's Designated Safeguarding Leads (DSLs). See below for information.

Stokenchurch expects all staff, parents and volunteers to share this commitment. This means that we have a Child Protection policy and procedures in place which can be found on our school website.

Sometimes we may need to share information and work in partnership with other agencies when there are concerns about a child's welfare. We will ensure that our concerns about our pupils are discussed with his/her parents/carers first unless we have reason to believe that such a move would be contrary to the child's welfare. If a member of staff is concerned about a child's welfare, they will record their concern, and any observations or conversation heard, and report to one of the DSLs as soon as possible the same day.

If a member of staff has concerns which relate to the actions or behaviour of another member of staff (which could suggest that s/he is unsuitable to work with children) then this will be reported to the Headteacher (or the Chair of Governors if the concern relates to the Headteacher themselves) who will consider what action to take.

OUR DESIGNATED SAFEGUARDING LEADS (DSL'S) ARE:

Mr S Sloan (Lead) Mr N Stevens (Deputy) Mrs Warner (Deputy) Mrs Pope (Deputy)

E-Safety & Social Media Safety

What can the school do to support with this?

- All pupils complete comprehensive and age appropriate e-safety lessons each and every year. These lessons will cover wide-ranging curriculum areas to help keep children safe both in and out of school including providing guidance and advice on cyber bullying and social media safety
- As a school we wish to support you as much as possible. **If inappropriate messaging occurs outside of school but between children at this school, then we do want to know about it – particularly if the messages are of a nature that could be viewed as bullying.**
- While it would not be appropriate for the school to sanction pupils for inappropriate conduct outside of school – **it will likely be important that staff know about any such conflict in order to ensure that it does not affect their learning or playtime in school.**

READY RESPECTFUL SAFE RESILIENT CURIOUS CONFIDENT INDEPENDENT SUCCESSFUL

E-Safety & Social Media Safety

What can you do to support with this at home?

- Understand the risks – use the weblinks on the next page to educate yourself on the apps and websites your children wish to visit and be aware of the risks.
- Communicate regularly – with your children (regarding what they are doing online and on their phone) and with school (if you have any concerns regarding your child's use of apps or inappropriate messaging that could affect their wellbeing in school).
- Keep the risks in proportion – **be mindful of age restrictions on certain apps and messaging services. If they're not old enough for the app's terms of service then there is probably good reason why they should not be on it.**
- Agree helpful mediation strategies – banning a child from a device might stop the concern temporarily but is unlikely to educate them to protect themselves or resolve concerns in the future.

Finally we would politely ask that parents be considerate of their own social media use. Twitter, Facebook and other such websites/apps are powerful tools for communication. If however, any concerns or questions regarding school arise, contacting school staff via the office or a note or your child's homework diary will always be the best way to resolve this.

How you can help

1. Monitor use of electronic devices
 - Check recommended age restrictions of apps and games
 - Set a curfew before bedtime
 - Monitor WhatsApp groups and other group chats

How you can help

2. Sleep and breakfast

- Switch off devices well before bedtime
- Share a book in bed
- Share best parts of the day
- Wake up with plenty of time for breakfast
- Healthy snack for breaktime

How you can help

3. Build resilience: adopt a Growth Mindset

READY RESPECTFUL SAFE RESILIENT CURIOUS CONFIDENT INDEPENDENT SUCCESSFUL

How you can help

4. Develop independence

Throughout your child's final year here and in their preparation for their transition to Secondary School, encourage your child to be independent.

Make it their responsibility to ensure that they are organised and prepared for each day's learning – don't pack their bag for them!

- Timetable stuck on wall/fridge/near door
- Passwords stored safely
- Set timetable for homework

How you can help

5. Practical maths skills

- Encourage your child to pay for things in shops, working out the coins needs and checking the change
- Practise telling the time, both digital and analogue e.g. If I pick you up at 6pm, how long will you spend at the swimming pool?
- Whilst out and about, study tables and charts to figure out how they work and what they are showing: bus and train timetables, film schedule times at the cinema, TV schedules etc.

Special Educational Needs and Disability (SEND)

At Stokenchurch Primary School we want all of our children to reach their full potential. Everyone has different strengths, and we aim to discover and nurture these strengths during the time our learners spend with us. Many of our children have different challenges or needs that we aim to support as inclusively as possible. Most of these needs can be met as part of a **high quality, inclusive curriculum**, with reasonable adjustments made when necessary. Some of our children may need additional provision, as recommended in the Department for Education's SEND Code of Practice, Buckinghamshire Council's Ordinarily Available Provision, NHS guidance and evidence-based best practice. These are embedded within day to day classroom practice.

If you have any concerns about your child, the first point of contact will typically be with your child's class teacher. Class teachers are trained professionals with a strong understanding of how to support all learners. They are well placed to discuss any assessments or observations, and implement any strategies or provision. As SENCOs we work collaboratively with the staff in school and outside agencies to support this process. Regular training and advice sessions from other professionals are also regularly organised. We have robust systems in place to ensure information is shared effectively between staff.

If you have any additional questions or concerns about your child, please use the contact information below:

Wellbeing

We believe at Stokenchurch that your child's wellbeing is at the heart of everything we do. We achieve this by completing the following activities:

- Weekly PSHE lessons
- Zones of Regulation and toolkits
- The Stokie Second twice a day
- Regular brain breaks and stretches
- Mindfulness tasks
- Go Noodle and yoga stretches
- Worry jars

READY RESPECTFUL SAFE RESILIENT CURIOUS CONFIDENT INDEPENDENT SUCCESSFUL

The Stokie Second

- Sit down in a comfortable position.
- Close your eyes or look down at your palms.
- Take calm, slow breaths. Gently breathe in and out. In through your nose and out through your mouth.
- Keep your shoulders relaxed and down.
- If you can, keep your feet flat on the floor.
- When you hear the chime, listen to the sound for as long as you can (hit chime- wait until you cannot hear the chime).
- Bring your attention to your breath (pause for 10 seconds).
- Feel your tummy rising and falling (pause for 10 seconds).
- Imagine you are sitting in a completely empty room (pause for 10 seconds).
- Take calm, slow breaths.
- If your mind wanders, bring your focus back to your breathing and the empty room.
- When you hear the chime again, listen as long as you can. When you cannot hear the sound any longer, slowly and gently open your eyes and look to the front of the room and smile.
