WEATHER

The weather has been pretty horrendous on a couple of occasions this week which, coupled with the roadworks in the village, has made the school run particularly challenging! None of the children who couldn't get to school on time on Wednesday morning will be recorded as 'late' and we'll look at solutions to make it less challenging from a school point of view on rare occasions like this. Thank you as always for your

Y6 TO NATURAL HISTORY MUSEUM

Y6 had a roaring time at the National History Museum this week, where they learned all about how animals adapt to suit their environment. They learned about Polar Bears in the Arctic and thoroughly enjoyed the exhibits on show. They behaved brilliantly and asked lots of great questions, returning to school armed with information to add into their learning. Well done Y6 and thank you to Mrs Milne for organising the trip!

EYFS SCARECROWS AND BIRTHDAYS

Children in EYFS have been learning about birthdays, shapes and 'The Scarecrow's Wedding' this week. We've had baking, making and acting alongside everything else and I know the Stokie Scarecrow on the F2 playground was a real hit!

FOOTBALL

We all enjoyed watching the football on Monday and at time of writing (having just heard the Wales score), I have everything crossed for another England win this evening. If you are on Twitter, you would have seen the enthusiasm of our Y6 children as goal number 3 went in against Iran and I know the children enjoyed the opportunity to support the national team with their friends. Come on England!!!

CHRISTOPHER COLUMBUS

Y2 have enjoyed learning about the travels of famous, intrepid explorer Christopher Columbus in history this week and have charted his journey across the globe. Brought to life by a special visit from 'Miss Columbus' herself so they could ask questions and write diary entries from the explorers perspective. Learning brought to life...bravo Y2!

TRIADS

Our Y5/6 Triads continued this week with children buddying up to take part in a STEM challenge – who can make the longest paper chain using a single piece of A4 paper? Cue great planning, teamwork, head scratching and thinking but they were amazed that one chain stretched the length of the classroom. A great challenge – try it at home?

CHRISTMAS FAIR

I HUGE thank you to everyone who attended the Christmas fair last weekend and made it such a success.... We have the total so please read on for the PTA News, but what an amazing result! Huge gratitude

to Mrs Springett and our wonderful PTA for making it all happen – you should be rightly proud of yourselves! 😊

...AND FINALLY!

Well-done Larch class who amazed me with their finished Bollywood Dance performances this week. Teamwork and coordination culminated in colourful, accomplished, confident performances.

We had an Amazon Smile delivery of £250 worth of resources this week, taking the total raised so far to £1600+ On this black Friday, please think of **STOKENCHURCH** before you click any purchases you may be making! Congratulations to Grace who passed her Grade 4 piano exam with an impressive pass mark of 117!
