

LITTLE BLUE

Jacob Collier

Little Blue, be my shelter, be my cradle, be my womb,
Be my boat, be my river, be the stillness of the moon,
If I could I'd go with you to a place I never knew,
In your eyes so dark and open
There's a light that leads me back to you.

Chorus

*'Cause you're not so far away
I hear you say you'll never walk alone
Singing don't be afraid of the dark,
In your heart you're gonna find a way
To carry the weight of the world on your shoulders
You're gonna find a way home, find a way home.*

Little Blue, be my anchor, be my light, my compass star,
Be my darkness, be my danger, be the strings of my guitar,
Little Blue, how I love you, something strong and something true,
In your arms so dear and gentle,
There's a home that leads me back to you.

Chorus

*'Cause you're not so far away
I hear you say you'll never walk alone
Singing don't be afraid of the dark
In your heart you're gonna find a way
To carry the weight of the world on your shoulders
You're gonna find a way*

*Don't be afraid of the dark - It's all right
You're gonna find a way
To carry the weight of the world on your shoulders
You're gonna find a way, find a way, find a way home.
You're gonna find a way back home.*
