

OJOS AZULES

Traditional arr. Hatfield

Ojos azules, ojos azules, no llores,
Don't cry or fall in love,
Ojos azules Don't cry, don't cry or fall in love.

Two or three days went by,
You went away and left me,
Lloraras cuando me vaya,
Cuando remedio ya no haya.

No llores ojos azules, ojos azules,
You swore your love, you swore your love to me.
Ojos azules, ojos azules,
you swore your love to me.
In a glass of wine, I wish I could drink venom.

Veneno para hamatarme, para olvidarte,
Tomar Veneno para olvidarte.
Lloraras cuando me vaya,
Cuando remedio ya no haya

A glass of wine, a glass of wine, , I wish I could drink venom
Veneno para hamatarme, para olvidarte,
Tomar Veneno para olvidarte.

La la la...cuando!
La la la...ojos azules...
No llores ojos azules, ojos azules,
You swore your love, you swore your love
ojos azules, ojos azules,
You swore your love, you swore your love
You swore your love to me, to me your whole life,
You swore your love to me, you went away and left me.
