

LifeSong!

Sheila Wilson

If you listen very caref'ly,
There's a song inside of you!
In your thoughts and in your heart beat
Half familiar, half brand new.

It's a life song, sing it loudly,
A life song: sing it proudly,
'cause children from ev'ry land
Are singing it, hand in hand

It's a life song: sing it loudly,
A life song: sing it proudly,
'cause people the whole world through
Are singing the song with you.

If you listen very caref'ly
There's a song outside of you!
In the flow'rs and in the trees it's
In the light and in the breeze

It's a life song, sing it loudly,
A life song: sing it proudly,
'cause children from ev'ry land
Are singing it, hand in hand

It's a life song: sing it loudly,
A life song: sing it proudly,
'cause people the whole world through
Are singing the song with you.

Ah, Ah lift your voices
Ah, Ah lift your voices
Ah, ah lift your voices high and sing!

Hey, Ev'rybody!
Hey, Ev'rybody!
Hey, Ev'rybody!
Feel the mu-sic deep in-side!

Hey, Ev'rybody!
Hey, Ev'rybody!
Hey, Ev'rybody!
Spread the mu-sic far and wide!

O-o-oh Life-song! ... Oh-oh
Life-song! ... Oh-oh
Life-song!
Let the rhythm guide you

O-o-oh Life-song! ... Oh-oh
Life-song! ... Oh-oh
Life-song!
Let the joy in-spire you!
