

# My Story about Playing on the Playground

Insert picture of playground

This is our playground.

We can have lots of fun on  
our playground.

My classmates will be happy  
when I go out to play.

Sometimes the other children  
might be playing a different  
game to me. This is OK.

Sometimes I won't feel like joining in. This is OK.

If I feel worried I can:

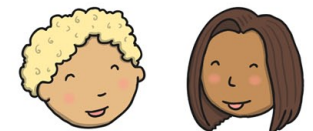

Talk to the teacher.

Take a deep breath.

Talk to my buddies.

When it is playtime I will go  
out to play on the big  
playground and this is OK.
