

## Homework Grid - Spring 2

Please choose one of these activities to complete for homework each week. Please do not feel like you have to bring in lots of physical evidence but we are happy to see anything you do produce! There are four activities in the grid. Please spend week 5 on Phonics Play [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk) You do not need a log in to access some excellent games. Please see the resources tab. Choose phases 3 and 5.

### Additional weekly tasks:

- Reading at least 3 times per week
- Spellings (tested on a Monday)

#### Maths

Coat hanger scales. Make your own set of scales at home and weigh objects in your house. Try to use words such as balanced, heavier and lighter in discussions.

#### English

- This term we are learning how to give instructions. Think of a simple activity that you do at home such as brushing teeth/getting dressed and talk about giving instructions on how to complete the activity. Use words such as first, then, next and finally. You may choose to write the instructions down.  
OR
- Follow instructions to play a game/bake a cake. Talk about them together.

#### Science

Look around your house for as many different toy animals as you can find. Talk about their features. Group them in different ways.

- herbivore/carnivore/omnivore
- bird/fish/reptile/amphibian/mammal

Why are they in these groups? What makes an animal a mammal? Etc.

#### Art

This term is all about colour mixing! Explore different ways to mix colours. You could try mixing-

- paint
- food colouring
- play dough
- pencils
- felt tips
- coloured cellophane
